

# CBS (China Bangkok Service)

With the ASEAN–China Free Trade Area (ACFTA) has come into effect since 1 January 2010, the largest free trade area in terms of population and third largest in terms of nominal GDP, the trading activities between China and Thailand (one of the major four tradelanes under ACFTA) becomes intensive, with commitment to our customers, OOCL is pleased to introduce a direct service connecting Central China and Thailand which is supplement to our existing North China/Thailand service.

Effective from 4 Mar 2012, the CBS (China Bangkok service), running with three vessels with loadable capacity around 900 TUE each will provide a direct and reliable service from Ningbo and Shanghai to Laem Chabang, Bangkok and Vietnam.

## Service Feature

- ✚ Full coverage of two major Central China ports: Shanghai and Ningbo
- ✚ Direct linkage from Central China to both Laem Chabang and Bangkok
- ✚ Reliable and direct service to Thailand and Vietnam avoiding delays in transshipment port
- ✚ Competitive transit time in the Intra Asia Market
