CARRIAGE OF METAL SCRAP INDEMNITY

Dear Sir / Madam,

We hereby confirm our agreement to accept full responsibility for any damages or additional expenses incurred by the Line which are established to have arisen due to the method of loading into or emptying from the ocean container.

We also undertake to ensure that the stowage within the container meets all safety requirements and will indemnify OOCL or any of sub-contractors for all claims or losses established to have been caused by any insufficiency of the stowage within the ocean container which may become apparent during the period of transit.

Yours faithfully,

For and on behalf of:
