Ki Beom Kim

Number of (new) Non Conformity Notes written:

0 Major ISM Non Conformities

0 ISM Non Conformities

0 ISM Observation

Previous Non Conformity Notes:

Total No. of previous ISM Non Conformity Notes closed out: 0

Summary:

The Shipboard Audit has been conducted through representative samples of the Safety Management System. The audit has been conducted to the level necessary for the Auditor to verify the whole Safety Management System. Hence it must not be assumed, that non-conformities other than the identified do not exist.

ISM pre-audit audit was carried out with cooperative manner and it was found that safety management system of the vessel is complying with the requirements of ISM Code.

Result of audit was explained and understood with master during closing meeting.
