**SUB: REQUEST FOR SHORTLANDING CERTIFICATE**

Dear Sir,

This is to inform you that due to Terminal internal operational reason OOCL KOBE-051E could not complete full discharge operation at APM Terminals Mumbai.

We understand from APM Terminals Mumbai that 88.....import containers could not be discharged due to this. It is currently planned that she will discharge all short landed container at next alternative port and subsequently onward movement to Nhava Sheva will be arranged.

We have attached the list of containers which were short-landed as informed by the terminal and would request your good office to issue us a short-landing certificate.

Thanking you.
