Step 1

The screenshot shows the OOCL Hong Kong website. The header includes the OOCL logo with the tagline "We take it personally" and navigation links: ABOUT OOCL, OUR SERVICES, PRESS & MEDIA, RESOURCE CENTER, and LOCAL INFORMATION. The main content area features a large image of a container ship at a port. Overlaid on this image is the text "OOCL Hong Kong". Below the image, there are three main service buttons: "Tracking" (with a location pin icon), "Sailing Schedule" (with a calendar icon), and "\$ Rate Enquiry" (with a dollar sign icon). The "Tracking" button is selected, and a search bar is displayed below it. The search bar has a dropdown menu for "B/L #" with the value "2606602720" entered. To the right of the search bar is a "Search" button. A blue arrow points from the text "Click Search" to the "Search" button. Another blue arrow points from the text "Update 10 digit OOCL MBL No" to the input field containing "2606602720".
