We here certify that we will take delivery the container within free time or will load the container before free time, and will definitely pay all applicable Demurrage and Detention to this shipment when D/O and B/L issued. And also we will be responsible if any damage and loss cost for container incurred during the container moved, and strictly promise to indemnify within 15 days from the date the carrier claimed.
3. We fully acknowledged below OOCL's procedure for Customer Nominated Trucking Service and will comply with its policy and instruction. If any discrepancies to follow up, we also promise to take a responsibility to indemnify the claim.

OOCL's procedure for Customer Nominated Trucking Service

- It must be exchanged the EIR (Equipment Interchange Receipt) by Trucker when the container pick-up at CY/Depot/Terminal or return to CY/Depot/Terminal.
- The charge of Demurrage & Detention over the free time should be immediately settled before the container pick-up/return the empty. If Demurrage & Detention not cleared, the carrier immediately stop to provide any favorable service for the Customer.
- The booking number, B/L number, container number and seal number should be clearly verified when taking the container from CY/Depot/Terminal. If any discrepancy found, the Customer must immediately inform relevant parties including the carrier.
- The Customer must adhere the DG Placard for DG O/B shipment before gate-in the terminal.
- The empty container should be returned back to designated place in clean and sound condition after completely cleared all of scrap, garbage and trash.
