TRADE

NEW SERVICE – EUROPE TO EAST MED

OOCL now offers a weekly service ex Antwerp/Rotterdam/Hamburg to Port Said, Ashdod, Haifa, Istanbul (Ambarli), Izmir and Mersin. Port Said is the hub port from which Israel and Turkey will be serviced. This service runs on the back of the new NE4 service – see next item. The attached schedule shows routing and TT. Please call our local sales office for competitive quotes.

Do not hesitate to contact us should you require more information or a competitive rate offer.

GENERAL

OOCL RANKED FIRST FOR ITS COMPREHENSIVE SCHEDULE TOOLS

We are pleased to announce that our online schedule tools have been ranked as being the best in the industry according to a research carried out by Sealntel Maritime Analysis, published in July 2011. Among the 15 global carriers surveyed, OOCL was the only company to score full marks reflecting the ease with which customers can access quality and comprehensive date of [schedule information](#). In meeting our customer's needs instantly, our easy-to-use online schedule tools allow customers to quickly retrieve exactly the information they need on their shipments. Our various lines of software application for liner, logistics and compatible platforms are all designed with a purpose to provide full information visibility to our customers. The [MyPodium Mobile](#), [OOCL Lite iPhone App](#) and [Real Time Monitored Trucking Service](#) are some of our unique tools that enable customers to access real-time sailing schedules of vessels and trucking schedules anytime, anywhere right at their finger tips via their smartphones.
