ANNOUNCEMENT

TO OUR VALUED CUSTOMERS:

We would like to inform you that, due to the Principal's directive, OOCL Philippines shall be implementing the Fuel Adjustment Factor (FAF) for all rates Ex Philippines to Intra Asia destinations effective August 1, 2010. This is being done to partially recover various cost components needed to maintain our service.

The quantum for the FAF in August shall be USD95/TEU, but this is a floating amount and may vary from month to month. We will update you on its quantum regularly.

If you have further inquiries, please do not hesitate to call our customer service and sales representatives at 554-8000.

Thank you very much for your continued support.
