

INTERMODAL CERTIFICATION

Notice to customer: The party who tenders any container(s) for intermodal transport from / to USA having a projected gross weight of more than 29,000 pounds, but has not yet provided to OOCL any certification to that effect is required to complete and provide the following certification to OOCL prior to tendering of such container(s) for shipment.

To: OOCL

We, the undersigned company, hereby:

- a) declare that the content of this certification is true, accurate and complete, and understand that the information may be used for preparing declaration to the relevant authorities, and OOCL's reliance on it is hereby acknowledged;
- b) understand and agree that failure to provide true, accurate and complete information, may result in delay, other damages and/or fines, and that any such damages and/or fines shall be our sole responsibility and liability;
- c) undertake to comply with the Intermodal Safe Container Transportation Act and such other applicable rules and regulations in relation to the weight of the Goods ("the Applicable Rules");
- d) undertake to pay for any and all penalties, levies, charges, costs and taxes due or payable under the Applicable Rules;
- e) undertake to indemnify OOCL and hold OOCL harmless in respect of any liability, loss, damage or expense which you may sustain as a result of us breaching any of the Applicable Rules and/or making any false, inaccurate or incomplete certification hereunder.

**Denotes mandatory:*

*Booking / BL No.:

***Gross Cargo Weight** - cargo, packaging materials (including ice), pallets, and dunnage.

*Container No.	*Cargo Description (FAK is not permitted)	

Use separate sheet to continue above for additional lines.
