MOC- How to setup Quick Links

MOC: Adding Quick Links

Quick Links are especially helpful to new users and users who are busy and need to click and go!

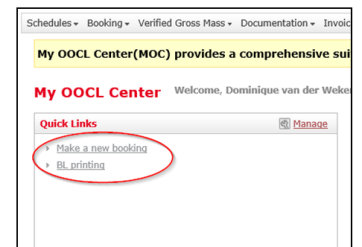

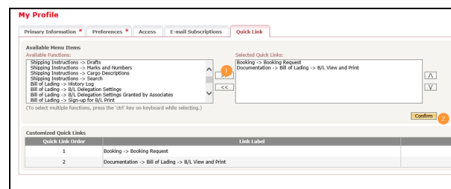

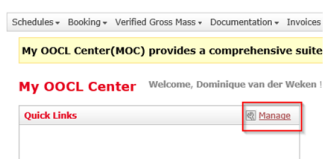

- **Step 1:** Login with your user and password to MOC via oocl.com website.
- **Step 2:** In the main screen of MOC, click on the "Manage" link within the "Quick Links" section on the left-hand corner of the screen.
- **Step 3:** Select the "Quick Link" tab. Under the "Available Functions" options, select the task you would like to use and click on the right arrow to move them to the column "Selected Quick Links." Click on the "Confirm" button. If you'd like you may give the task a name of your liking. Click on the "Save" button.
- **Step 4:** Once done, you will notice that the links were added. When clicking on these quick links, they will guide you immediately to the task.
