Pro-Tip: How to Receive Bill of Lading Notifications

PROTIP Bill of Lading Notifications

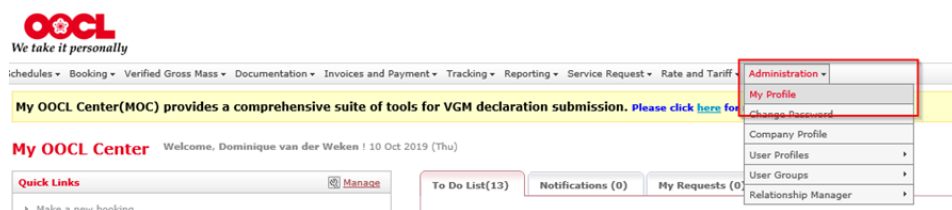

You can subscribe to certain notifications related to your Bills of Lading, which will allow to receive an email when a proof copy is uploaded to your account or when Bills of Lading are released. You can also choose to customize these notifications by receiving a PDF image of the Bill of lading.

1 Log into MOC

Log into your “My OOCL Center” at www.oocl.com with your user ID and password.

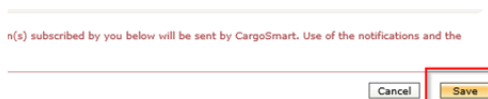

2 Select “My Profile”

Make the following selection from the main menu bar: Administration → My Profile

3 Go to the “E-Mail Subscriptions” tab

Within the “E-mail Subscriptions” tab, select notifications under “Bill of Lading Manager” that you would like to receive and click on the “Save” button on the right hand corner—do not forget to save prior to exiting the page for subscriptions to take effect.

Most commonly used features are:

- Draft Bill of Lading with PDF attachment
- Original Bill of Lading (No PDF attachment available as you will need to log into MOC to print OBL)
- Copy Bill of Lading with PDF attachment (Seaway BL and Non-negotiable copies)

Container Information on OOCL.com

At OOCL, we take the transportation of your cargo personally and we offer our customers a vast and modern fleet of containers. To learn the different type of containers that we offer as well as dimensions, weight limitation and capacity, you can find this information on OOCL.com:

1. Visit [OOCL.com](https://www.oocl.com): From the main menu, select "Our Services" option and click on "Containers."
2. Click on the desired container type that you want to learn more.

Container Specifications

My OOCL Center: Booking and Shipping Instruction Template

MOC- My OOCL Center

Booking and Shipping Instruction Templates

In order to simplify and improve booking and shipping instruction submission, you can save the most frequent used ones as templates. Please follow the steps below.

1

Login to MOC and create your booking or Shipping Instruction (SI). After you have created either the booking or SI, click on the “Save as Template” button on the right lower corner of the page.

Booking Example:

SI Example:

2

Name your template, check the “Mark as Favorite” checkbox and click on the “Save” button:

3

After saving your template, follow these steps:

To access booking template: From the menu bar, click on “Booking” then select “Templates” option.

To access SI template: From the menu bar, click on “Documentation” then click on “Shipping Instructions” and select “Templates” option.

Select the template you would like to use by clicking the blue arrow in the “Actions” column. The templates that are shared by other users, you can find back under “My Company Templates”.

As a leading international container transportation service provider, OOCL offers quality customer-centric solutions supported by dedicated professionals and industry-leading IT support systems.
